INFORMED CONSENT FOR CHIROPRACTIC CARE

A patient, in coming to the Chiropractic Physician, gives the doctor permission and authority to care for the patient in accordance with the chiropractic tests, diagnosis, and analysis. The chiropractic adjustments or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or health care if he is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through health care procedures whatever he is suffering from: latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the Chiropractic Physician. The Chiropractic Physician provides a specialized, non-duplicating health care service. Your Doctor of Chiropractic is licensed in a special practice and is available to work with other types of providers in your health care regime.

I understand that if I am accepted as a patient by a physician at Health Care Center, I am authorizing them to proceed with any treatment that may be necessary. Furthermore, any risk involved, regarding chiropractic treatment, will be explained to me upon my request.

ASSIGNMENT OF INSURANCE BENEFITS, RELEASE, DEMAND, & CERTIFICATION

Insurer and Patient Please Read the Following in its Entirely

I, the undersigned patient/insured knowingly, voluntarily and intentionally assign the rights and benefits of my automobile insurance, also known as Personal Injury Protection (P.I.P.), Workman's Compensation and General Medical Payments policy of insurance to the above health care provider. I understand it is the intention of the provider to accept this assignment of benefits in lieu of demanding payment at the time services are rendered and that this document will allow the provider to file suit against an insurance company for payment of the insurance benefits. This disputes the validity of this assignment of benefits then the insurer is instructed to notify the provider in writing within five (5) days of receipt of this document. Failure to inform the provider shall result in a waiver by the insurer to contest the validity of this document. The undersigned directs the insurer to pay the health care provider directly without including the patient's name on the check.

The insurer is directed by the provider and the undersigned to not issue any checks or drafts in partial settlement of a claim that contain or are accompanied by language releasing the insurer or its insured/patient from liability unless there has been a prior written settlement agreed to by the health provider and the insurer as to the amount payable under the insurance policy or contract. The provider hereby objects to any reductions or partial payments. Any partial or reduced payment, regardless of the accompanying language, issued by the insurer and deposited by the provider shall be done so under protest, at the risk of the insurer, and the deposit shall not be deemed a waiver, accord, satisfaction, discharge, settlement or agreement by the provider to accept a reduced amount as payment in full. The insurer is hereby placed on notice that this provider reserves the right to seek the full amount of the bills submitted.

In the event the subject medical benefits are disputed by the insurer for any reason the undersigned hereby instructs the insurer to set aside any amount disputed (i.e., to escrow the money) and not pay the disputed amount to anyone, including myself, or any entity until the dispute is resolved. The insurer is instructed to immediately explain in writing to the above provider of any dispute. If the insurer schedules a defense examination or examination under oath (herein after "EUO") the insurer is hereby INSTRUCTED to send a copy of said notification to this provider. The provider or the provider's attorney is expressly authorized to appear at any EUO or IME set by the insurer. The health care provider is not the agent of the insurer or the patient for any purpose.

This assignment applies to both past and future medical expenses and is valid even if undated. A photocopy of this agreement is to be considered as valid as the original.

I agree to pay any applicable deductible, co-payment, for services rendered after the policy of insurance exhausts, and for any other services unrelated to the automobile accident.

The health care provider is given the power of attorney to endorse my name on any check for services rendered by the above provider.

Release of Information: I hereby authorize this provider to: furnish the insurer, an insurer's intermediary and the patient's attorney via mail, fax, or email, with any and all information that may be contained in the medical records; to obtain insurance coverage information in writing (declaration sheet) and telephonically from the insurer request from the insurer all EOB's from all providers and non-redacted PIP payout sheets; obtain copies of all medical records, including but not limited to, documents, records, scans, notes, bills, opinions, X-rays, IME's, and MRI's, from any other medical provider or any insurer. The insurer is directed to keep the patient's medical records from this provider private and confidential and the insurer is not authorized to provide these medical records to anyone without the patient's and the provider's prior express written permission.

Demand: Demand is hereby made for the insurer to pay all bills within 30 days without reductions and to mail the latest non-reacted PIP payout sheet and the insurance coverage declaration sheet to the above provider with 15 days.

Certification: I certify: that I have not been solicited or promised anything in exchange for receiving health care; that I have not received any promises or guarantees from anyone as to the results that may be obtained by any treatment; and that I agree the provider's prices for medical services, treatment and supplies are reasonable and customary.

Caution: Please read before signing. If you do not completely understand this document please ask us to explain it to you. If you sign below we will assume you understand and agree to the above.

Patient Health Information Consent Form

We want you to know how your Patient Health Information (**PHI**) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations we must require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing this consent.

1. The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (**PHI**) for the purpose of treatment, payment, healthcare operations, and coordination of care. As an example, the patient agrees to allow this chiropractic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that this office will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.
2. The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office is not obligated to agree to those restrictions.
3. A patient's written consent need only be obtained one time for all subsequent care given the patient in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not effect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.
5. For your security and right to privacy, all staff has been trained in the area of patient record privacy and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.
6. Patients have the right to file a formal complaint with our privacy official about any possible violations of these policies and procedures.
7. If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations, the chiropractic physician has the right to refuse to give care.

I have read and understand how my Patient Health Information will be used and I agree to these policies and procedures.

Missed Appointment Policy

We want to thank you for choosing us as your chiropractic health provider. In order to provide you and our other patients with the best optimal spinal care, we request that you follow our guidelines regarding broken and/or cancelled appointments. Please remember that we have reserved appointment times especially for you. Therefore, we request at least 24 hours notice in order to reschedule your appointment. This will enable us to offer your cancelled time to other patients that desire to get their treatment completed. When you cancel your appointment at the last minute, everyone loses – you, the doctor and other patients that would like to have utilized your appointment time.

Since our office does not charge for broken or cancelled appointments, please realize how important it is to keep your reserved time. Thank you for your consideration of our policies and for the opportunity to be your chiropractic office of choice.
